**„ PETIT MONDE “**

**das MIT MACH Märchen:**

A shadow puppet show scene. The scene is framed by dark red curtains. In the background, there is a white house with a dark roof and a window. To the right of the house is a tall, thin tree with a small red fire burning in a hearth. In the center, a shadow puppet of a person with arms raised is visible. In the foreground, a crowd of shadow puppets is shown, some with their arms raised, suggesting a performance or a scene of celebration.
